Re: Moise, Mamouzette, M.D.

To Whom It May Concern:

This is to certify that I have known Dr. Mamouzette for the past 4 years. I am impressed by his professionalism, fund of knowledge and his moral character. He is extremely hard working, considerate to his patients and eager to help his colleagues. Dr. Mamouzette has exceptional surgical skills especially at laparoscopy.

Dr. Mamouzette has been very thorough in his work up and management of his patients. He seeks advice and consultation whenever required, and is not afraid to ask pertinent questions. His performance has been excellent and the staff has been very pleased with him. I have always found Dr. Mamouzette to be ethical, honest and conscientious in fulfilling his professional responsibilities. He is very punctual, pleasant, neatly dressed, he is caring, and well like by all his patients.

I recommend Dr. Mamouzette without reservation. I am confident that he will be an asset to any department or institution he joins.

Sincerely,

Nick Khulpateea, M.D.
